Dear Supervisors:

**STREET LIGHTING DISTRICTS
ANNEXATION AND LEVYING OF ASSESSMENTS FOR
COUNTY LIGHTING MAINTENANCE DISTRICT 1687 AND
COUNTY LIGHTING DISTRICT LLA-1, UNINCORPORATED ZONE,
AND NEGOTIATED EXCHANGE OF PROPERTY TAX REVENUES
PETITION NO. 21-207, UNINCORPORATED AREA OF EAST ARCADIA
(SUPERVISORIAL DISTRICT 5)
(3 VOTES)**

SUBJECT

This action is to proceed with the annexation of territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and levying of assessment on benefited properties within this territory.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the Engineer's Report for Petition No. 21-207, either as filed or as modified, regarding the annexation of territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and levying of assessments within the annexed territory for street lighting purposes. The proposed annexation area is located in the unincorporated community of East Arcadia.

2. Adopt the Resolution of Intention to Annex Territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and Order the Levying of Assessments within the Annexed Territory for Fiscal Year 2009-10.
3. Set a date for a public hearing regarding the proposed annexation and levying of annual assessments within the annexed territory for street lighting purposes, with a base-assessment rate of \$5 for a single-family residence within County Lighting District LLA-1, Unincorporated Zone, for Fiscal Year 2009-10.
4. Instruct the Executive Officer of the Board to cause notice of the public hearing by mail at least 45 days prior to the date of hearing scheduled for Tuesday, July 28, 2009, pursuant to Section 53753 of the California Government Code. The mailed notice will include assessment ballots.
5. Instruct the Executive Officer of the Board to cause notice of the public hearing to be posted in three conspicuous places within the territory to be annexed and to publish the notice of public hearing once a week for two successive weeks in a newspaper of general circulation. Such posting and publication to be completed at least 10 days prior to the date of hearing, pursuant to Section 5838 of the California Streets and Highways Code.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the annexation and assessment are for the purpose of meeting operating expenses; purchasing supplies, equipment, or materials; meeting financial reserve needs and requirements; and obtaining funds for capital projects, including the installation, operation, and maintenance of street lights, necessary to maintain service within the area proposed for annexation and are exempt from the requirements under the California Environmental Quality Act.
2. Order changes, if needed, in any of the matters provided in the Engineer's Report, including changes in the improvements, the proposed diagram, or the proposed assessments.
3. Order the tabulation of assessment ballots submitted, and not withdrawn, in support of or opposition to the proposed assessment.

4. Determine whether a majority protest against the proposed annexation or assessments exists.
5. Make a finding terminating the annexation, the levying of assessment, and the property tax transfer proceedings in the petition territory if there has been a majority protest to the assessments, and refer the matter back to the Department of Public Works.
6. If there is no majority protest against the proposed assessments, adopt the Resolution Ordering Annexation of Territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, Confirming a Diagram and Assessment, and Levying of Assessments within the Annexed Territory for Fiscal Year 2009-10 either as proposed or as modified by your Board. The adoption of the Resolution Ordering Annexation will constitute the levying of assessments in Fiscal Year 2009-10.
7. Adopt the Joint Resolution between your Board and other taxing agencies, approving and accepting the negotiated exchange of property tax revenues resulting from the annexation of this territory to County Lighting Maintenance District 1687, as approved by the nonexempt taxing agencies.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is for your Board to annex the territory known as Petition No. 21-207 (Fairgreen Avenue et al.) to County Lighting Maintenance District 1687 (CLMD 1687) and County Lighting District LLA-1 (CLD LLA-1), Unincorporated Zone; to levy assessments for Fiscal Year 2009-10 on the benefited property within the annexed territory for street lighting purposes; and to approve the exchange of property tax revenues among those nonexempt agencies whose service areas are subject to the jurisdictional change.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provision of Operational Effectiveness (Goal 1). We ensure the fiscal sustainability of our street lighting services by performing the annexation, levying of assessments, and property tax transfer to provide the funding necessary for the operation and maintenance of new street lighting facilities within this annexed territory. In addition, this action is consistent with Community and Municipal Services (Goal 3), since street lighting services provides for the delivery of a customer oriented municipal service that improves the quality of life for residents in the area.

FISCAL IMPACT/FINANCING

Sufficient funds are included in the Fiscal Year 2008-09 budget for CLMD 1687 and CLD LLA-1, Unincorporated Zone, to fund the annual costs for the operation and maintenance of the street lights within this petitioned area, should operation and maintenance charges estimated at \$3,180 be incurred prior to the end of Fiscal Year 2008-09.

In subsequent years, the ongoing operation and maintenance costs of the street lights within this annexed territory will be funded by CLMD 1687's share of ad valorem property taxes collected from property owners within this annexed territory, supplemented by assessments annually approved by your Board. The proposed annexation will result in a minimal property tax growth transfer from the affected taxing entities including the Los Angeles County General Fund, the Los Angeles County Library, the Los Angeles County Road Maintenance District No. 5, the Consolidated Fire Protection District of Los Angeles County, and the Los Angeles County Flood Control District.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On January 6, 2009, Item No. 33, your Board approved and filed Petition No. 21-207, and adopted a Resolution Initiating Proceedings for the Annexation of Territory to CLMD 1687 and CLD LLA-1, Unincorporated Zone, and ordered the Department of Public Works (Public Works) to prepare and file an Engineer's Report for the petitioned territory. The attached Engineer's Report was prepared in response to that directive.

Under California Government Code Section 53753, it is necessary to follow the procedures for levying of assessments previously authorized by your Board, including the distribution, receipt, and tabulation of ballots at a public hearing. Ballots will be mailed to each property owner within the annexation territory. The assessment will only be levied if the weighted majority of ballots returned are in favor of the assessment.

The attached Resolution of Intention must be adopted to set a date for the required public hearing. Your Board, at the close of the public hearing, may delay its determination regarding the annexation and levying of assessments until a later date, continue the public hearing to receive further testimony, or make a determination regarding the annexation and assessment.

Section 99.01 (a)(4) of the California Revenue and Taxation Code provides that affected agencies must approve and accept the negotiated exchange of property tax revenues by resolution. The Joint Resolution approving and accepting the exchange of property tax revenues has been approved by nonexempt taxing agencies and is attached for your consideration.

The boundary of the proposed annexation has been reviewed and approved by Public Works and the County Assessor in accordance with the requirements of Section 58850 et seq. of the California Government Code and is on file with Public Works. A copy of the diagram showing the boundary of the proposed annexation territory is attached to the Engineer's Report prepared for the petitioned territory. Following your Board's approval of the resolution for the annexations, levying of assessments, and exchange of property tax revenues, Public Works will file with the State Board of Equalization the statement of boundary changes as required by Section 54900 et seq. of the California Government Code.

The attached resolutions have been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

On January 6, 2009, Item No. 33, your Board determined that this project is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) in that it meets the criteria set forth in Section 15301 of the CEQA Guidelines and Class 1(x)27 of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The annexation of territory to CLMD 1687 and CLD LLA-1, Unincorporated Zone, will result in street lighting for this area and will have no impact on other services or projects.

**COUNTY OF LOS ANGELES
DEPARTMENT OF PUBLIC WORKS
ENGINEER'S REPORT
PETITION NO. 21-207
(FAIRGREEN AVENUE ET AL.)**

On January 6, 2009, the Los Angeles County Board of Supervisors adopted a Resolution Initiating Proceedings for the Annexation of Territory to County Lighting Maintenance District (CLMD) 1687 and County Lighting District LLA-1 (CLD LLA-1), Unincorporated Zone, pursuant to the California Streets and Highways Code Landscaping and Lighting Act of 1972, for the purpose of providing for the cost of operating and maintaining street lights on new wood poles within the territory proposed for annexation, as shown on the diagram, plan, and specifications attached hereto. In addition, the Department of Public Works was ordered to prepare and file an Engineer's Report in accordance with Section 22565 et seq. of the California Streets and Highways Code and Article XIII D, Section 4(b) of the California Constitution. This report was prepared in response to that directive.

There will be no cost for the installation of the 25 street lights on new wood poles with overhead wiring. The annual operating cost of \$3,180 for the 25-9,500 lumen high pressure sodium vapor street lights will be funded by CLMD 1687 and CLD LLA-1, Unincorporated Zone. An annual assessment for the operation and maintenance of the street lights of \$5 per parcel for a single-family home, with proportionately higher assessments for other land uses, based on the approved Fiscal Year 2008-09 Annual Engineer's Report for CLD LLA-1 is proposed to be added to the Fiscal Year 2009-10 tax bill of property owners whose parcels lie within the boundary of Petition No. 21-207. Each year thereafter, an annual assessment for the operation and maintenance costs of the street lights, approved by the County of Los Angeles Board of Supervisors, will be added to the property tax bill.

With the passage of Proposition 218 (the Right to Vote on Taxes Act) by the California voters in November 1996, the levying of an assessment is now subject to certain provisions under Article XIII D of the California Constitution. This report conforms to the applicable provisions of Proposition 218.

CLMD 1687 is an established Street Lighting District and was fully funded from ad valorem property taxes prior to the passage of Proposition 13 (The People's Initiative to Limit Property Taxation) in 1978, which limited the maximum amount of ad valorem tax on real property. The ad valorem property taxes received under the guidelines established by the State Legislature subsequent to the passage of this amendment are not sufficient to pay the cost of street lighting in CLMD 1687. Therefore, CLD LLA-1 was formed under the Landscaping and Lighting Act of 1972 (Section 22585 et seq. of the California Streets and Highways Code) to provide supplemental funding.

The Landscaping and Lighting Act provides for the assessment of street lighting costs against the benefited properties within the lighting district in proportion to the benefits received. A method of distributing the street lighting costs on the basis of land use and land-use data compiled by the County Assessor was approved by the Board of Supervisors on May 22, 1979, and amended on July 22, 1997, to include government-owned or leased parcels. This report showing the approved method and the assessment units to be assessed on the various types of lots and parcels based on land usage is on file in the office of the Board of Supervisors and is made a part hereof by reference. The Fiscal Year 2008-09 Annual Engineer's Report, which lists the base-rate assessment for all zones within CLD LLA-1, and the total assessment amount to be collected from benefited parcels in each zone based on land use, is on file in the office of the Board of Supervisors and is made a part hereof by reference.

The parcels of real properties affected are shown in Appendix A, included herein. The parcels are more particularly described in a map prepared in accordance with Section 327 of the California Revenue and Taxation Code, which is on file in the office of the County Assessor and is made a part hereof by reference.

We believe that it would be in the public interest to install the street lights in the designated territory as requested by the signers of Petition No. 21-207 and to provide for their operation and maintenance.

SECTION 6. The amounts to be assessed for the expense of such installation, operation, and maintenance of the work or improvements described above shall be levied and collected in the same manner and by the same officers as taxes for County purposes are levied and collected.

SECTION 7. Proceedings for the levying of assessments shall be taken under and in accordance with the Landscaping and Lighting Act of 1972 (Division 15, Part 2, of the California Streets and Highways Code) and Section 53753 of the California Government Code.

**NOTICE OF PUBLIC HEARING
OF THE BOARD OF SUPERVISORS
TO CONSIDER ANNEXATION OF TERRITORY TO
COUNTY LIGHTING MAINTENANCE DISTRICT 1687
AND COUNTY LIGHTING DISTRICT LLA-1, UNINCORPORATED ZONE
PETITION NO. 21-207**

Notice is hereby given that a public hearing will be held by the Board of Supervisors to consider the annexation of territory known as Petition No. 21-207 to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone (Lighting Districts), and levying of annual assessments commencing in Fiscal Year 2009-10. Said hearing will be held on Tuesday, _____, at 9:30 a.m., in the Hearing Room of the Board of Supervisors, Room 381B, Kenneth Hahn Hall of Administration, 500 West Temple Street (corner of Temple Street at Grand Avenue), Los Angeles, California 90012.

This territory, whose street location is described below, and whose map is on file with the Executive Office of the Board of Supervisors, is proposed for annexation to the County Lighting Districts for the installation of street lights and/or for the collection of assessment revenues to pay for their operation and maintenance.

- Petition No. 21-207: Fairgreen Avenue et al. in the East Arcadia area (T.G. 597F-1). Twenty-five street lights on new wood poles with overhead wiring are proposed to be installed.

An annual operation and maintenance assessment in the amount of \$5 for a single-family home, with proportionately higher rates for other land uses, will be levied against the 52 benefited parcels located within the petition territory, and identified by assessor parcel number in the Engineer's Report on file with the Executive Office.

The levying of a new assessment is now subject to property owner approval with the passage of Proposition 218 (approved by California voters in November 1996), which provides for property owners to determine by ballot whether or not they approve of the proposed assessment for this purpose. As required under Proposition 218, assessment ballots will be mailed to all property owners of parcels within the territory proposed for annexation at least 45 days in advance of the public hearing. All assessment ballots must be received by the County before the conclusion of the public hearing. Ballots will be tabulated at the conclusion of the public hearing. The assessment will not be levied and the territory will not be annexed if the weighted majority of the returned ballots submitted are opposed to the increase. The ballots are weighted according to the amount of the street lighting assessment paid by each property owner.

In addition to returning the assessment ballots, property owners may file with the Executive Officer of the Board of Supervisors a written protest against the proposed annexation at anytime prior to the conclusion of the public hearing. The written protest must identify the property owned and must state all grounds for objection. The protest may be withdrawn in writing prior to the conclusion of the public hearing. A majority protest will cause abandonment of the proposed annexation. If you wish to file a written protest, you may address it in writing to:

Executive Officer of the
Board of Supervisors of the
County of Los Angeles
Kenneth Hahn Hall of Administration, Room 383
500 West Temple Street
Los Angeles, CA 90012

The Engineer's Report for Petition No. 21-207 is on file and available for public review in the Executive Office of the Board of Supervisors, Room 383, Kenneth Hahn Hall of Administration, 500 West Temple Street (corner of Temple Street at Grand Avenue), Los Angeles, California 90012.

If you have any comments about the proposed annexations, you may address them in writing to the County of Los Angeles Department of Public Works, Attention Mr. Joaquin Herrera, Traffic and Lighting Division, P.O. Box 1460, Alhambra, California 91802-1460. In your letter, please include your name, address, and parcel identification number as they appear on your property tax bill.
